

WHAT ARE SLICC STUDENTS SAYING?

FLEXIBLE

"The flexibility and structured learning outcomes have been instrumental in my journey toward entrepreneurial success."

HANDS-ON

"It's very hands-on and free for us to explore how we think we should start a business, yet also structured enough if we get lost we have guidance."

SELF-PACED

"Working at your own pace."

KNOWLEDGE TRANSFER

"Implementing theoretical knowledge for a practical project."

GOAL-ORIENTED

"Being able to simultaneously pursue different goals and tie them back into the one project."

PERSONAL GROWTH

"It was very open ended and I was able to take it in any direction I chose. I got a lot of personal growth out of the project."

FREEDOM

"I chose my own path and own topic to explore - I was given a lot of freedom."
